

Diwali is synonymous with “Laxmi Pujan”, since, she brings peace and prosperity to all. On this day we perform puja of our Account books and start writing new accounts. This is known as "Chopda Pujan" or "Sharda Pujan" or "Muharat Pujan". Chopda pujan is a day for everyone not only to reconcile one's financial books but also the spiritual books. People should pray to forgive us for all the mistakes this past year and to give the wisdom and strength to not make them the next year.
