

North Area

Mukesh Nathoo Shah

North Area, Chairperson & Trustee
Oshwal Association of the UK

Jai Jinendra

We hope everyone is enjoying the Summer weather, and wedding season and finally being able to meet up together in person after the lockdown.

We understand that it has been an incredibly difficult time for many over the past 2 years, with losing loved ones, loneliness and having no one to turn to. We all need each other and would like to express that North Area is here to support you, whether it is a telephone call, cup of chai/coffee or simply holding a hand. Please feel free to contact me - "We rise by lifting others".

We had our North Area AGM on the 12th of June, and a new committee was elected. I would like to sincerely thank everyone who attended, and who chose us to be the future of North Area.

After having Paryushan online, we are happy to announce that this year it will be held in person at Woodhouse College, as well as it being online. Appropriate social distancing will be observed.

It would be lovely to see everyone together at the Swami Vatsalya Bhojan, which will be held on the 18th September at Oshwal Centre.

Our Gujarati School will be starting in September, and we would love to see more

of our younger children learn our precious mother tongue, and at the same time enjoy the cultural activities.

Our Youth Club, run by our youth members have availability from September - please encourage your children to participate in the fun activities.

Our popular Friday Social Club is welcome to all. Join us on Friday evenings at Woodhouse College for a game of cards, tea/coffee, and biscuits. There will be a break during the Paryushan period.

Moving forward, our approach to communicating with you will evolve over time, and to reduce paper-based communications, we will be deploying modern ways of keeping everyone up-to-date. We would urge everyone to join the North Area Broadcast WhatsApp Group for update on events. Please message me and a link will be sent to you to join.

We are looking forward to many exciting events this year and will be happy to have your support in making these a great success.

Jai Oshwal
