Jain Meditation

Make time for meditation every day. Puja Shree Chitrabhanuji suggested each day allow yourself 24 minutes of peace, one minute for each hour of the day.

Meditation is the gathering of self-knowledge and the dispelling of ignorance; the pathway back to inner peace; the restoration of love for self; the act of creating quality thoughts and feelings; reaching to the highest level of conscious awareness; the best way for busy people to stay cool, calm and focused.

"A Jain temple is not just bricks & mortar, stone & sculpture. It is an edifice of ideas and culture, as well as an expression of art & spirituality. It provides us with an opportunity for self reflection and self renewal" A Jinalay is the abode of the Lord. It's strength is not in its stones. Its fortitude comes from the dedication of the Jain sangh (community). A Jinalay's glue is the piety and devotion of the community"
