Mahavira emphasized that all living beings, irrespective of their size and shape, are equal and we should love and respect them. This way he preached the gospel of universal love. The principles of Jainism, if properly understood in their right perspective and faithfully adhered to, will bring contentment and inner happiness in the present life. This will elevate the soul in future reincarnations to a higher spiritual level.

“Don’t walk behind me,
I may not lead
Don’t walk in front of me,
I may not follow
Just walk beside me and be my friend”
