## Foreword

---

### A New Chapter for Shakti Centre

Shakti Centre has always held a special place in our community in West London. Today, following a £1.5 million investment by Oshwal Association of the UK, it has been transformed into a modern, accessible and versatile community facility.

This investment has created much more than improved buildings and facilities. It has created better opportunities for our community to gather, celebrate, learn and worship, and for Shakti Centre to become increasingly sustainable through appropriate use and income generation.

Now we want our community to be part of the next chapter. Through this fundraising scheme, members can take labh of sponsoring specific spaces and facilities within Shakti Centre. For some, this may be an individual gift; for others, a family contribution, a gift in memory of a loved one, or an opportunity for several people to create a shared legacy.

Philanthropy is not only about the amount we give. It is about being part of something that will serve others long after our own contribution has been made. ***“I was part of this. I helped make this possible.”***

#### Why building this legacy matters

The generations before us invested in creating places where our community could practice its faith, come together and build a future. We now have the opportunity to do the same. But, much more than just gather....

By supporting Shakti Centre, we can help ensure that this renewed facility remains a vibrant home for our community and a place where future generations can **Connect, Belong and Inspire.**

### Your Gift. Your Legacy.

Every donation to the Shakti Centre Renovation Fund will be recognised through an acknowledgement, providing a lasting acknowledgement of the generosity of our members, families and supporters. This will celebrate the collective philanthropy of our community and the important part each donor has played in helping secure the future of this much-loved Centre.

### Celebrate with us

When the fundraising programme is complete, all donors will be invited to a special Shakti Centre Celebration to recognise and thank everyone who has contributed. It will be an opportunity to come together, celebrate what our community has achieved and see the difference that collective generosity can make.
